JOURNAL OF
Neurobiology

EDITORS
Darcy B. Kelley
Eduardo Macagno
Department of Biological Sciences
Sherman Fairchild Center for the Life Sciences
Columbia University
New York, New York 10027
Managing Editor: James Hartzell

Dr. Albert Aguayo
Montreal General Hospital
Montreal, Quebec
Canada H3G 1A4

Dr. Arthur P. Arnold
University of California
Los Angeles, California 90024

Dr. Michael V. L. Bennett
Albert Einstein College of Medicine
Bronx, New York 10461

Dr. Ira B. Black
Rutgers University
Piscataway, New Jersey 08854-5635

Dr. Thomas J. Carew
Yale University
New Haven, Connecticut 06520

Dr. Judith S. Eisen
University of Oregon
Eugene, Oregon 97403

Dr. Gerald D. Fischbach
Harvard Medical School
Boston, Massachusetts 02115

Dr. Michael D. Gershon
Columbia University
College of Physicians and Surgeons
New York, New York 10032

Dr. William A. Harris
University of California at San Diego
La Jolla, California 92093

Dr. Mary E. Hatten
The Rockefeller University
New York, New York 10021

Dr. Stanley B. Kater
Colorado State University
Fort Collins, Colorado 80523

Dr. Cynthia Lance-Jones
University of Pittsburgh School of Medicine
Pittsburgh, Pennsylvania 15261

Dr. Jeff W. Lichtman
Washington University School of Medicine
St. Louis, Missouri 63110

Dr. Andrew Lumsden
United Medical and Dental Schools
Guy's Hospital
London S31 9RT, United Kingdom

Dr. Peter R. Marler
University of California
Davis, California 95616

Dr. Juan Modolell
Univ. Autonoma de Madrid
28049 Madrid, Spain

Dr. Kenneth J. Muller
University of Miami School of Medicine
Miami, Florida 33101

Dr. Rodney K. Murphey
University of Massachusetts
Amherst, Massachusetts 01003

Dr. Ronald W. Oppenheim
Wake Forest University–
Bowman Gray Medical School
Winston-Salem, North Carolina 27103

Dr. John Palka
University of Washington
Seattle, Washington 98195

Dr. Shlomo Rotshenker
Hebrew University
Jerusalem, Israel

Dr. Melitta Schachner
Swiss Fed. Institut Technologie Zurich
Zurich 8093
Switzerland

Dr. Carla J. Shatz
University of California at Berkeley
Berkeley, California 94720

Dr. Jerry Silver
Case Western Reserve University
Cleveland, Ohio 44106

Dr. Constantino Sotelo
INSERM U-106
Hôpital de la Salpetrière
75651 Paris, France

Dr. Claudia A. O. Stuermer
Universitat Konstanz
Konstanz, D-78343 Germany

Dr. Yoshiki Takeuchi
Kagawa Medical School
Kida-gen, Kagawa 76107, Japan

Dr. James W. Truman
University of Washington
Seattle, Washington 98195

Dr. David A. Weisblat
University of California at Berkeley
Berkeley, California 94720

Dr. Kalpana White
Brandeis University
Waltham, Massachusetts 02254

Founding Editor: Sid Ochs
Editorial Production, John Wiley:
Merilee Croft Olson

Cover photograph of drawing by Camillo Golgi reprinted with permission of Arnold B. Scheibel. (Drawing appeared in 1975 as jacket illustration for *The Nervous System,* Volumes 1–3, Raven Press, New York.)

Journal of Neurobiology is published monthly, three volumes per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Copyright © 1995 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (508) 750–8400, fax (508) 750–4470. Second-class postage paid at New York, NY, and at additional mailing offices.

The code and copyright notice appearing at the bottom of the first page of an item in the journal indicate the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by law.

This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

Subscription price (Volumes 26–28, 1995): $1080.00 in US, $1200.00 in Canada and Mexico, $1245.00 outside North America. All subscriptions outside US will be sent by air. Personal rate: $180.00 in North America, $240.00 outside North America. Subscriptions at the personal rate are available only to individuals. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645; E-mail: SUB-INFO; wiley.com.

Postmaster: Send address changes to *Journal of Neurobiology,* Susan Malawski, Director, Subscription, Fulfillment, and Distribution, Subscription Department, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Advertising Sales: Inquiries concerning advertising should be forwarded to Roberta Frederick, Advertising Sales, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158; (212) 850-8832. Advertising Sales, European Contact: Michael Levermore, Advertising Sales Manager, John Wiley & Sons, Ltd., Baffins Lane, Chichester, Sussex PO19 1UD, England.

Reprints: Reprint sales and inquiries should be directed to the customer service department, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158; (212) 850-8776.

Other correspondence: Address all other correspondence to: Journal of Neurobiology, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158.

Information for contributors appears in the first and last issue of each volume.

The contents of this journal are indexed in the following: *Contents/Life Sciences, Science Citation Index (ISI), Chemical Abstracts, Excerpta Medica, Index Medicus, BIOSIS, Research Alert (ISI), SCISEARCH Database (ISI),* and *Biological Abstracts.*

This journal is printed on acid-free paper.
